Glenn Richman
Primary Examiner
Art Unit: 3764

The following is an examiner's statement of reasons for allowance: Watson discloses an exercise apparatus employing a counter-resistive treading mechanism.

Tipton discloses a football training and evaluation apparatus.

Slane discloses a device for determining the push/pull capabilities of a human subject.

Gardner discloses a football blocking sled.

The prior art however, fails to show or suggest, as detailed in claim 1, an adjustable weight sled exerciser comprising an upper C-channel member disposed between a front frame member and a rear frame member; a sled comprising a vertical bar with padding attached therefore, said sled including a crossbar extending from said vertical bar to the C-channel of said frame system; a sled movement arrangement comprising at least a pair of wheels disposed within said C-channel and attached to either side of the sled crossbar, said movement arrangement thus allowing said sled to move longitudinally from the front to the rear of said exerciser, as said pair of wheels ride along said C-channel; and an adjustable weight system, attached to said sled, for providing resistance to the rearward longitudinal movement of said sled within said frame system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Glenn Richman whose telephone number is 703 308-3170. The examiner can normally be reached on Mon-Thurs.
